

Brownell Talbot covid policy 2021

Home Volleyball Contest COVID-19 Protocols *Safety protocols are subject to change.

Screening All attendees planning to attend events at Brownell Talbot must complete the Home Health Check.

Masks Face coverings are REQUIRED to be worn by all players, coaches, game officials, managers, statisticians, and spectators attending the game.

Volleyball players have the option to remove face coverings while they are on the court during play. Cheerleaders may also remove their masks when on the court cheering during timeouts and breaks. Extra masks will be available at the gym entrance.

Spectators

There is no restriction to the number of spectators who may attend the match.

Locker Rooms Locker rooms will be available for visiting teams in grades 9-12.

Masks must be worn inside locker rooms by all players and coaches.

Concessions The concession stand will not be available at home contests.

Hand Sanitizer

Hand sanitizer stations will be set up near the entrance and at designated spots in Scott Gymnasium.

Water Bottles

Every player should use their own water bottle. No sharing of water bottles, towels, or personal equipment.

Officials

Officials have the option to remove masks while on the court during a match.

Team Benches

Pre-match and post-match handshake protocols are prohibited.

Teams will NOT switch benches/courts between sets.

Entrance / Exit

All spectators will enter the gymnasium at the double doors on the east side of Scott Gymnasium. All spectators will exit through the double doors located at our fitness center on the south side of Scott Gymnasium.

Video Volleyball contests will be streamed on the BT Youtube Channel
