

Elkhorn St Pats policy is below:

- 100% Capacity
- Please do not arrive more than 15 mins prior to game start. If the red STOP sign is out, you can either wait outside or in your car (no exceptions). We do not allow teams in until the game before is over and gym is cleared.
- All persons in the building will be required to mask.
- Players on the court may remove masks (should they wish) while playing, but must have mask on while on bench and any other time(s) while not playing.
- Coaches will mask at all times.

As well AD's and Chairs, we went through TWO boxes of disposable masks this weekend. Visiting teams NEED to bring their own masks - we ran out and had to send someone to the store to get more.
