

## St Stephen's Covid Policy

-masks are optional for persons in the building when 6 ft of distance can be maintained, otherwise we strongly encourage masks be worn when the 6ft distance can not be maintained.

-We ask that all players, coaches, visitors and their households self-monitor for symptoms and avoid participating should symptoms be of concern.

-we have no capacity limits in facility

-players may remove masks while playing, but when coaches and players are within close proximity (l.e on bench or in huddle) we highly encourage masks to be worn.

Thanks!

Jeri Wiedel
